

Blank Patch Panel

24-Port, 1U, Black

Part No.: 720427

EAN-13: 0766623720427 | UPC: 766623720427

The backbone of your network is central to your organization's success. Trust Intellinet Network Solutions to provide Patch Panels that maintain the integrity of your data. The Patch Panel enables you to quickly change the port assignment of any piece of equipment that's attached to your network. Our range of Patch Panels feature varying port densities across a complete range of specifications—from Cat5e to Cat6a in both Unshielded and Shielded varieties. All Patch Panels comply with current industry standards and are 19"-rack compliant.

Features:

- Rackmount blank patch panel with pre-numbered ports
- 1U rackmount space
- Removable cable-management bar
- Shutters on each port to protect unused keystones
- Cage nut blanking covers
- Designed to support the distribution of voice, data, audio, video and fiber optic needs for commercial or residential applications
- Ideal for use in high-density applications with more connectivity in less space
- Designed to fit all standard 19" racks and cabinets
- Cable management
- Lifetime Warranty
